Columbia Association Says Goodbye to a Friend and Legend

With sadness the Columbia Association bids a fond farewell to John Sineno.

John entered the Fire Department in 1962 and was assigned to the Fire Factory, Engine 58. John was a quick learner; he was a fireman's fireman. His skills in the kitchen were quickly harnessed. There was always rice pudding for all the companies in Battalion 25.

John Sineno's selflessness became apparent when in 1972; he along with Joe Hickey and Jack Mera helped establish the New York Hospital – New York Firefighters Burn Center Foundation. This Center became the largest burn center in the world. Without John's efforts, this may never come to pass. John retired in 1990 but he remained a part of the Burn Center that he helped create.

He was best known for his culinary arts, the author of two best-selling book. "The Firefighter's Cookbook" in 1986 and "The New Firefighter's Cookbook" in 1996. The money from both books went to a variety of charitable causes, such as the Burn Center and to each fraternal organization scholarship fund.

John Sineno is survived by his wife, Pauline: three daughters, Jackie, Jerrilynn and Michelle, and son, John Jr. Please accept our heartfelt compassion for the loss of your husband John. It was an honor to know John. He will be missed.

The President's Corner

Vincent Tummino

As we get into the mid-year, we will be making plans for the annual Columbus Day Parade. We will continue to improve it and as we have been very successful in years past. Mark your calendar for October 13th and show your support by coming and marching with your fellow brothers.

I would like to ask all of our members to support our military troops both aboard and at home, remember this is an all-volunteer military service; they do their job to make our homes and lives safer. See inside for our tribute to those FDNY members who are currently serving in our armed services. As you read their names please take time to say a prayer for their safety, and when they return home thank them for their courage and valor.

Columbia Association Enjoys Mohegan Sun Resort & Casino

Minutes after arriving at Mohegan Sun, we were on vacation. The resort is inspired by Mohegan traditions and culture, both which you see in the intricately themed décor. We received the best service possible which ensured that our stay was a memorable experience.

Looking for some action? Mohegan Sun is home to over 300,000 sq ft of excitement. - One of the world's largest, most spectacular casinos. On Saturday night "Southside Johnny" treated us to an amazing performance. There were over 25 different restaurants, a beautiful health spa, indoor pool and spacious rooms. The Columbia Association will defiantly return for another trip.

Columbia Association Honors...

Daniel A. Nigro

Chief Nigro entered the New York City Fire Department at 21 years of age on November 29, 1969 as a firefighter and was assigned to Engine Company 21 in midtown Manhattan. Chief Nigro's vast experience includes service in the boroughs of, Manhattan, Queens, Bronx, administrative positions in the office of Fire Commissioner, Chief of Personnel and Chief of Health Services. During Chief Nigro's career he earned some of the Department's most honored and prestigious awards, including the Fire Commissioner's award for outstanding Service and the Leon Lowenstein Award. Chief Nigro took the helm, as Chief of Department after the tragic losses of 9/11. His determined and caring leadership enabled a crippled department to regain its direction and purpose.

Brooklyn Bar Association Honors FNDY's Salvatore Sangeniti

Salvatore A. Sangeniti has been an Emergency Medical Technician and Assistant to the Division Commander with the FDNY in Queens for 19 years. With a background in computer programming, he has developed several computer programs that have increased the efficiency in all Emergency Medical Service Division Operations. One of the programs designed and developed, calculates the amount of overtime and salary percentage each employee performs for each calendar year, and ensures that each employee's overtime remains within the limits permitted. Another program tracks the number of personnel each Division Commander has in their command, enabling each of them to see a snapshot of the number of employees working at any time. These programs have become an invaluable tool to Division Commanders, helping them to ensure that the citizens of New York City receive adequate ambulance coverage. Mr. Sangeniti also received two other awards in calendar year 2002. One from the Queens Borough President Office and the President's Awards from North Shore-LIJ Systems – Franklin General Hospital for his acts. Mr. Sangeniti is also a Mentor for the National Guard Challenge Program for New York State. He is married with one daughter and resides in Centereach, Long Island.

The Columbia Association Condolences

We regret to announce the death of Olga Donatelli. Olga was a beautiful, strong, loving, and tender woman all in one. She was very supportive of Joe and his endeavors with the Sanitations Department, Fire Department and the Columbia Association. Olga was a wonderful woman that loved her family. Olga and Joe cherished their trips to Atlantic City where she would rule the slot machines. She would always share her winnings with Joe. Olga would like her memory to be a happy one. Of happy times and laughing times and bright sunny days. May all your tears of those who grieve to dry before the sun. She is survived by Joe, their Daughter, son-in-law and 3 beautiful grandsons.
